**How I Choose to Work With Parasite Mamma:**

\_\_\_ **\*BioEnergetic Scan Package (a one time fee of \$225.00).** This is for people that have *already ordered* a bio energetic scan and their test results are now in. This package takes an hour and a half of my time and gives you a customized game plan based on your scan results, an in-depth report of the toxins that were resonating in your body, a customized supplement schedule for the remedies that were recommended for you on your scan, and a 30 minute follow up phone call).

\_\_\_ **\*Pay By The Hour at \$150.00 per hour** - When you pay for my time by the hour, we chip away at that hour little by little, with the following: making supplement schedules for you, having phone calls and/or video chats with you, making personalized parasite protocols for you and/or your family, going through supplements you currently have at home to help you figure out what to keep or toss, making customized game plans for you and/or your family, and answering your questions by text or email (if your questions only take me a minute or so to answer, then I don't take any minutes off your time bank, but if it takes me multiple minutes to answer your questions, or if I have to do research to answer your questions, etc, then I will take minutes off your time bank for that).
